

To Whom It May Concern:

DairyPalooza is the fastest-growing dairy event in the state of Ohio, and our committee would like you to consider becoming a sponsor for our 2019 event. Last year's program hosted over 400 youth, adults, and advisors, and we had many presenters teaching outstanding sessions to record-breaking numbers of participants. DairyPalooza sponsors helped provide participants with clipboards, t-shirts, curry combs, and educational resource packets, not to mention funding hours' worth of educational sessions teaching kids more about the topics they're interested in.

The original intent of DairyPalooza was to put on an innovative educational program, encouraging more involvement and creating opportunities for dairy youth in Ohio. Now in its ninth year, DairyPalooza will be hosting the 2019 DairyPalooza at the **Canfield Fairgrounds in Canfield, Ohio on April 27, 2019**. In addition to catering to participants' favorite topics, we plan to add new youth and adult sessions and give participants more session choices in the afternoon. Again this year, we will provide state-approved Quality Assurance training.

However, we need your support to continue providing the best educational experience for participants. This year's sponsors will be listed on our DairyPalooza publications, including fliers and schedules, as well as being listed on our website, [www.OhioDairyPalooza.com](http://www.OhioDairyPalooza.com).

To provide proper recognition to our various sponsors, we are categorizing based on donations:

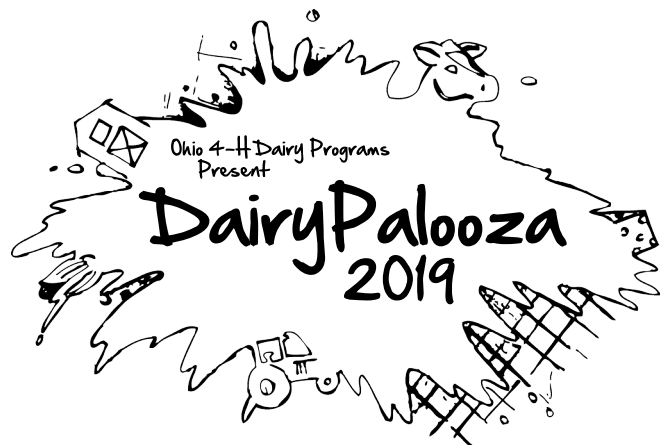

Supreme Champion	Donation of \$250 or more
Grand Champion	Donations of \$100 - \$249
Blue Ribbon	Donations of \$25 - \$99

If you are interested in sponsoring the 2019 DairyPalooza at any level, please fill out the attached form.

Questions can be directed to the individuals below. Thanks in advance for your support!
